ATLANTA UNIVERSITY, Atlanta, Ga.

EDWARD T. WARE, PRESIDENT

A HIGH School, Normal School and College, with Manual Training for boys and Domestic Science for girls. A home where students are brought under wholesome Christian influences. A center for gathering and disseminating accurate information regarding the Negroes, which service to the cause of fairness in judging a people has had, through the help of the graduates, signal success, and has brought the Sociological Department of Atlanta University an international reputation. The Alma Mater of many of the most successful teachers and influential men and women of the Negro race in the South. Directly and through its 625 graduates, a source of encouragement and inspiration for thousands of the people for whose sake it exists.

This is what 40 years have proved Atlanta University to be for the Negro race. Each new year, with the increasing number of graduates, makes the possibility of useful service greater. The work, however, is hampered by lack of funds. The endowment amounts to $72,000. At least $500,000 is needed to maintain the work as at present organized. Such an endowment would result in great increase in the efficiency and power of Atlanta University, for it would release for the work forces which are now absorbed in the anxiety and effort incident upon money raising for current expenses.

Bequests in wills should be made payable to "The Trustees of the Atlanta University," in Atlanta, Ga., and attested by three witnesses.

Address:

PRESIDENT EDWARD T. WARE,

A Frank Appeal

WE WANT YOUR HELP in extending ——the circulation of—— *The Congregationalist and Christian World*

BECAUSE the publishers believe that *The Congregationalist* is the indispensable servant of genuine denominational interest they feel free to solicit the co-operation of every Congregationalist in extending the circulation of the paper published for the express purpose of supplying information of what is transpiring in the Congregational churches and the Christian world at large. The publishers ask your assistance, *not* seeking primarily to make a profit, but as co-operators striving by every legitimate means to promote those things for which our Congregational churches stand.

IF the weekly visits of *The Congregationalist* are helpful to you, will they not also quicken zeal in every good Christian work, stimulate interest in missions, Sunday-school work, intelligent Bible study, and cement more closely the bonds of denominational and Christian fellowship *between you and friends whose subscription you may aid us in obtaining?* You will readily agree that the paper contains much material for every Congregationalist vital to his interests and contained in no other paper; that it is broad and catholic in spirit; that it EXACTLY supplements the work of every earnest pastor; that coming every week and finding a place on the home table, containing uplifting articles or stories for every member of the family circle, it emphasizes THE THINGS PREACHED on Sunday and taught in the Sunday-school.

IS it not as important that Congregationalists should regularly read such a paper in order to understand and represent to their neighbors the nature, object and business of the denomination as it is to subscribe to the benevolences of the church? In no better way can information be circulated that will bring intelligent co-operation and money to carry on successfully the work of the churches.

WILL you not help? You can do so by sending a new subscriber, by organizing a club in your church, by sending names of friends to whom a prospectus can be sent and personally saying a good word for the paper. The publishers will co-operate with you in every way, and ask you to write for further information, sample copies, free prospectus and terms to L. H. CARY, Business Manager, 14 Beacon Street, Boston, Mass.

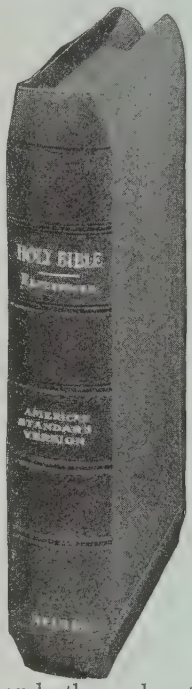
People Want the Real Bible

The VERY WORDS of PROPHET and APOSTLE

That is what a large company of the most renowned and devout scholars, working for thirty years, have tried to give the lovers of The Word in this careful translation — the



American Standard Bible

(Edited by American Revision Committee)

This translation is immeasurably more correct than the King James translation, though that was the best possible at the time.

First — Because modern scholars know Greek and Hebrew far better than the former translators knew those Bible languages.

Second — Because large portions of the Bible have come to light in manuscripts which are older and better than those used to make the King James translation with.

Third — Because there have been discoveries by the thousand in Bible countries which throw floods of light on the meaning of obscure passages. With these and other advantages our modern scholars could get back to the very letter and spirit of the original Scriptures.

6% Bonds for the Small Investor

Purchasable in Multiples of $100

Based on the Ownership of New York Real Estate

THE American Real Estate Company's plan of investment constitutes "practical co-operation," enabling small investors to share to the extent of 6% in the certain profit-earning power of New York real estate, without the risk and expense incident to the individual buying and handling of property, and to obtain steady and fixed returns without waiting to sell or lease and with the same security that capitalists have in the use of large sums of money in this best of all investment fields, heretofore beyond the reach of the small investor.

THE American Real Estate Company, founded in 1888, is the original and oldest corporation among the many engaged in the business of buying and improving New York real estate for income and for sale. In the enlargement of its business it offers:

TEN-YEAR SIX PER CENT GOLD BONDS

They are issued at par in any amount in multiples of $100. Principal and interest are guaranteed by the Company's Assets of over $11,850,000, including Capital and Surplus of over $1,750,000. Interest is payable semi-annually by coupons attached. They are perfectly transferable and negotiable and carry liberal surrender privileges.

FOR twenty-one years the Company has earned and paid 6% to thousands of investors without one dollar lost or gone astray. For twenty-one years the securities of this Company have never shrunk a dollar in value and every dollar due in principal and interest — nearly $4,000,000 — has been paid on the instant.

A-R-E SIX'S are also purchasable by instalment payments during 10, 15 or 20 years; payments with 6% interest compounded and accumulated make the face of the bond payable in cash at maturity. The yearly payment rates per $1,000 Bond are: 10-year term, $71.57; 15-year term, $40.53; 20-year term, $25.65.

If you have accumulated funds to invest or can save small amounts regularly, you should investigate A-R-E SIX'S. Write for literature regarding them and a MAP of NEW YORK CITY showing the location of the valuable properties on which they are based.

INTRODUCTION.

The earnest appeal for early reports of the churches appears to have been made without effect. We cannot expect an early issue of the YEAR-BOOK until the churches themselves take the matter in hand and by vote direct their clerks and ministers that church reports shall be sent to the state secretary before January 10. If Massachusetts with 603 churches finds it possible to send the report of the state to the editor of the YEAR-BOOK before the close of March, surely every other state can do the same thing. The fact is, some of the smallest states are the latest, giving always the same reason, viz.: "We find it very difficult to secure the reports from the clerks." In our dealings with such functionaries we are helpless.

We are pleased to present to the brethren an index to the volume. It amuses one very much to hear some one say, "I did not know *that* was in the YEAR-BOOK." The index can be read quickly and no one need go ignorant of what the book contains.

It may be some will compare the summaries as printed this year with the summaries given last year. In some instances the figures have been changed. This was necessary because of the omission of the schedule of Southwest Florida, which table for obvious reasons will not appear again, except the National Council receive it in representative capacity at its session in 1910.

Not a little criticism has been made concerning the figures given for Beneficence. The demand has become general that the schedules show what the churches are doing for the Congregational Societies, as such; one state voted that the Secretary of the National Council be requested to improve the method. The editor presented a plan to the Massachusetts State Association and it was voted, "that the Provisional Committee be requested to adopt the same for reporting the Beneficence of the Churches." We wish other states would take the same action.

We beg to suggest that the footnotes to schedules of states be considered. Some variations will be found because the editor has been willing to accede to the wishes of the state secretaries in their reports of local conditions.

Is it too much to ask of the clerks of the churches that they call the attention of the church committees to the advertisements in the YEAR-BOOK? It is with assurance we commend our patrons to the confidence of the churches.

Reports from the states were received in the following order: Cuba, West Virginia, *February 8;* Arizona, *February 15;* Oregon, *February 18;* Mississippi, *February 20;* New Hampshire, *February 26;* Utah, *February 27;* Ohio, *March 1;* District of Columbia, Maryland, New Jersey, Virginia, *March 4;* Wisconsin, *March 5;* Maine, *March 10;* Nevada, *March 11;* Iowa, *March 15;* South Dakota, *March 19;* Massachusetts, *March 20;* Georgia Conference, *March 21;* Arkansas, Missouri, New Mexico, *March 24;* North Carolina, Rhode Island, Washington, *March 26;* Michigan, *March 27;* North Dakota, Vermont, *March 29;* Connecticut, Florida, *March 31;* Minnesota, Oklahoma, *April 2;*

Illinois, Kansas, *April 5;* Southern California, Wyoming, *April 12;* Northern California, Louisiana, Montana, *April 13;* Porto Rico, South Carolina, *April 14;* Hawaii, *April 15;* Alabama Association, *April 16;* Indiana, New York, *April 20;* Alabama Convention, *April 24;* Kentucky, Texas, *April 26;* Colorado, *April 28;* Georgia Convention, *May 3;* Idaho, *May 5;* Nebraska, *May 6;* Tennessee, *May 7;* Pennsylvania, *May 11.*

Having been asked to report upon the acceptance of the Recommendations of the National Council, especially with reference to the name of the state body, we are pleased to state that seventeen among thirty-four state bodies have voted to change the name to "Conference." Of the four called "Convention" two have voted to be named "Conference." We have no doubt of being able to report to the Session of the National Council, Boston, 1910, that the Recommendations have been generally accepted. Local conferences of churches are also changing to be named "Associations." It is to be hoped that state secretaries and local scribes and registrars will not forget to remind their bodies respectively when in session to attend to this matter, that the work may be completed before the meeting of the National Council.

As the YEAR-BOOK, 1909, goes out, we trust that ministers will see something more than mere figures,— even the prayers and the toil they represent. If any work we do inspires larger effort and imparts a cheer to our loved fellowship, we are satisfied.

ASHER ANDERSON, *Editor.*

OBJECTS.

To maintain, in the city of Boston, a Congregational House; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational history and promote the general interests of Congregational churches.

FINANCIAL.

During the year the debt on the Congregational House has been reduced by $4,000, bringing it down to $146,000. The outlay for our new electric plant has prevented a larger reduction, but the resultant saving is already apparent, and will make a good showing next year. It is a matter for wonder that our Association is almost always left out of the scope of testamentary bequests. Surely there could not be a more stable and permanent investment, or one that should more commend itself to those who have the best interests of Congregationalism at heart, than a legacy whose income would be a perpetual endowment for each and all of our missionary societies. In August, 1907, the mortgage on the Congregational House was renewed, and although the property is worth several times the amount of the mortgage, it would be far more productive for Christian work if it could be used more fully for the purposes of the Association. Every contributor to our missionary societies is directly interested in the cancellation of this debt. The Association exists for the benefit of these societies, and of the Congregational Library. The average annual rental of the Congregational House, after deducting fixed charges, amounts to about $10,000; the interest on the mortgage is about $6,000; if the debt were paid, the appropriations to all the missionary societies could be largely increased.

THE LIBRARY.

The foresight of our fathers in beginning to save and store here all material bearing on "the religious history and literature of New England" is abundantly vindicated, on the one hand, by the growing scarcity of such documents, and on the other hand by the constant use of those which have been obtained. Daily pilgrimages are made hither for the ecclesiastical and statistical material which will prove more valuable still as time goes on. It is too often forgotten, amid the crowd of appeals that seem more pressing, that by taking a very little pains now, the clerks or pastors of all our local churches can win the deep gratitude of those who are coming after us. It is gratifying to note that one of the youngest of our state Congregational newspapers, published in the West, reckons the Congregational Library among the four prominent assets of the denomination, and urges the coöperation of its readers to make it still more valuable.

We have no Carnegie to give us a princely endowment, but in this enterprise a little care and painstaking are even more welcome than gifts of money.

The American Board is the only foreign missionary society of the Congregationalists of America, including Canada; friends of other denominations often give through its channels. The Board has a famous history and a prestige unsurpassed by any missionary society at home or abroad.

Its work is conducted through twenty missions in nine countries with 594 missionaries (208 men and 386 women) and 4,125 native workers. Connected with its missions are 554 churches, with 71,000 communicants, of whom over 6,000 were added by confession the past year. Its educational work includes over 1,200 schools with 64,000 scholars; of these schools, 13 are theological seminaries and 118 colleges, boarding or high schools. Forty-six missionary physicians are busy in medical work of the Board, with 33 hospitals, 36 dispensaries and over 275,000 patients annually. Using 27 different languages, the Board prints millions of pages of books, papers, pamphlets, etc., for use in its schools, churches, hospitals, and the homes of the people.

In such ways are Congregationalists endeavoring to evangelize the 75,000,000 of the earth's population assigned to us under the comity arrangement in force among the leading foreign missionary societies. The cost for the work last year, viz., $837,999.15, seems moderate when we consider the magnitude of the operations. We could name more than one university in the United States whose annual budget is greater than that of the American Board. In this connection it should be kept in mind that the native churches, out of their poverty, contributed during last year the sum of $253,956. In two of our missions, Japan and Natal, the churches are self-supporting, and in all of our missions a large measure of self-support has been attained. Surely it is a privilege to help those who show such a disposition to help themselves.

The Departments of Work are:

THEOLOGICAL SEMINARIES. — There are sections in the West solidly foreign. New England has an increasing foreign population. While the children of newcomers eagerly learn the English language, their parents will probably be satisfied to speak their mother tongue. The graduates from the foreign departments at Chicago and the Congregational Institute, Cambridge, Mass., are able to preach in both English and the mother tongue.

COLLEGES. — During the last ten centuries Christian universities and colleges have trained the great leaders in human progress. Wise, far-seeing, and unselfish leaders are now needed more than ever. The problems and perplexities of our national progress increase rather than diminish.

Educated Christianity is the hope of the world, and the reign of Christ over human thought must result mainly from Christian institutions.

ACADEMIES. — There are large sections of our country, embracing in some localities several counties with thousands of settlers widely distributed, without schools of the higher grade.

Our Christian academies prepare teachers for public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of home missionary churches.

MISSION SCHOOLS IN UTAH. — Morman leaders are making strenuous efforts to extend Mormonism. Its missionaries are active in this country and abroad. The leaders have a distinct political aim to gain firmer hold in national affairs in order to gain larger liberty for their irreligious practices. Mormon church influence controls the public schools in Utah.

MISSION SCHOOLS IN NEW MEXICO. — The poverty, prejudice, and backward condition of the people are a strange anachronism in the midst of our American life. The uplifting of homes and establishing of churches will come through the children and their schools.

STUDENT AID. — Money is loaned or granted to meritorious and needy young men for studying for the Christian ministry. Competent committees at seminaries and colleges examine each applicant and give estimates of his worth.

The following table shows the number of Institutions assisted by the Society, number of teachers and students, value of property, and the amounts received from the Society and other sources during the year.

The work of the Congregational Home Missionary Society is the planting and maintenance of Congregational churches. Wherever there is a locality, in city, town, or country, which needs the gospel and is not able to support a worker, the Home Missionary Society is called upon for assistance. Only such churches are aided as are willing to help themselves. The work of the Society is not charity — pauperism is not encouraged. Instead of weakening the moral fiber of the people by gifts which may not be needed, its energies are directed toward drawing out all the resources of the field and strengthening it, bringing it to self-support as quickly as possible. While it labors for our denomination, it recognizes that the divine mission of a society of this character is the promulgation of the gospel of Jesus Christ throughout the nation, and to this end it coöperates so far as possible with other denominations in an endeavor to plant churches only where called for. It seeks always to strengthen its own work, but not by weakening the work of others who are striving toward the same goal of bringing every part of our land under the standard of Christ.

It is not too much to say that the salvation of our country depends upon the Christianizing of its people, and it is for this that the Congregational Home Missionary Society exists. Foreign missions, Christian education, church building, the publication of literature — all must fail absolutely so far as our country is concerned if home mission effort is allowed to lapse.

With aliens coming to us at the rate of three quarters of a million a year and threatening to become a menace to our institutions, our civilization, our national life, unless they are brought under the power of the gospel, it will be seen how much depends upon this department of service. If the entire present resources of the Society were directed toward the evangelizing of the immigrant, it would not begin to be sufficient to accomplish what needs to be done by our own denomination in this one field alone.

Our cities are growing more rapidly than ever before, and soon they will hold the balance of power in the land. It is of the utmost importance that the work of the Church in the cities should not diminish, but should go forward in ever-increasing measure.

Changing conditions in rural communities are rendering the task of churches in these localities more and more difficult, but its importance is none the less evident.

The vast empire of the West is developing rapidly, but it is still too young in men, in institutions, in resources, to be able to bear all its own burdens in evangelizing its people.

In all these directions, and more, the Society is putting forth its effort as best it may with its present means. It asks the moral and financial support of all who are interested in the work of carrying the banner of the cross throughout the length and breadth of the country.

Seventeen states have assumed the responsibility of caring for their own work, and these are known as constituent states. The constituent state societies stand in somewhat the same relation to the national society that the different states in the Union do to the federal government. Each bears its own burdens and assists in the nation-wide work as well. All share in the prosperity of the national society and all feel the effects of its depression. They are bound together by ties of fellowship and coöperation, doing the work of the Master in our great land.

Eighteen superintendents, directly responsible to the national society, have charge of the work in districts which are not yet able to assume self-support.

Last year 1,692 missionaries were under commission of the national and state societies, preaching in 2,312 churches and stations. In 308 of these churches the preaching was in foreign tongues. The number of churches organized was 118, a gain of 78 over the year previous. Ninety-eight churches built houses of worship, a gain of 42. Ninety-eight fields came to self-support during the year.

At the close of its eighty-second volume, The Home Missionary, which has heralded the progress of our work almost from the beginning, is merged into the joint magazine representing the six homeland societies of our denomination. Congregational Work, in which this Society has had a share, is discontinued.

The annual report issued by the Society gives in detail a résumé of the work of each year. About one hundred leaflets are also issued, covering nearly all phases of home mission effort. New ones are constantly being added. These leaflets are sent to individuals or churches without charge. A catalogue of publications will be sent on application.

The Society solicits conditional gifts, pledging itself to pay an agreed annual interest upon any sum which may be placed in its hands. This gives the donor an assured income for life, as secure as anything which human foresight can offer, with the certainty that the gift will be used as he desires after his death.

Under the Apportionment Plan formulated by the Advisory Committee the home mission work of our denomination should have not less than $470,000 from living donors and $180,000 from other sources. Of course a much larger amount could be used to great advantage. This is simply set as the minimum, and in so far as receipts fall short of this the work must suffer.

FIELD

extends from the Atlantic Coast to the Hawaiian Islands, and from Porto Rico to Alaska. It includes in the South the Negroes and the Whites, both in the mountains and the lowlands; in the West the Indians; on the Pacific Coast the Chinese and Japanese; in Alaska the Eskimos; and in Porto Rico and Hawaii those of various races.

PURPOSE AND METHOD.

The American Missionary Association is training leaders for these different races. This involves an

INDUSTRIAL LEADERSHIP.

The Association years ago introduced into its schools Industrial Training. All our principal schools now give this training. The aim is not simply to instruct the few in handicrafts, but to give to the many an intelligent and efficient industrial leadership within their own race, which shall encourage industrial activity and lead to economic development.

AN INTELLECTUAL LEADERSHIP

is also furnished through the colleges and higher institutions. No race can be lifted up by means of industrial training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for. In its normal schools hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of any people.

MORAL AND RELIGIOUS LEADERSHIP.

Departments of Biblical and theological instruction, in which ministers and missionaries are trained for the service of their own people, are provided by the Association. Character building and religious instruction are everywhere a part of school training. High moral standards can be met only by a well-trained moral and religious leadership.

EDUCATIONAL WORK

includes normal, theological, college, academic, and grade teaching, with instruction in manual training, domestic science, mechanic arts, and agriculture. Its chartered institutions are Fisk University, Talladega College, Tougaloo University, Straight University, Tillotson College, for colored students; Piedmont College and Atlanta Theological Seminary for whites. Among its secondary and elementary schools are Gloucester School, Va.; Saluda Seminary, Lincoln Academy, J. K. Brick School, Gregory Institute, Washburn Seminary, Peabody Academy, N. C.; Avery Institute, Brewer Normal, S. C.; Ballard Normal, Beach Institute, Allen Normal, Dorchester Academy, Albany Normal, Knox Institute, Ga.; Fessenden Academy, Orange Park Normal, Fla.; Joppa Institute, Emerson Institute, Lincoln Normal, Burrell Normal, Trinity School, Ala.; Lincoln School, Moorhead Industrial, Mt. Hermon, Miss.; LeMoyne Institute, Grand View Normal, Pleasant Hill Academy, Tenn.; Chandler Normal, Black Mountain Academy, Ky.; Santee Normal, Neb.; Blanche Kellogg Institute, Porto Rico. One hundred and one schools in all.

CHURCH WORK.

The Association has 238 Congregational churches under its care, besides many preaching stations. The Indian Dakota Association is developing a vigorous church life. In the Chinese fields, while there are few churches, many pagans have come into the Christian life. In Porto Rico the field is white to the harvest. The South greatly needs the liberalizing and ethically tonic influence of our free, intelligent, self-governing, unsectarian churches, for both races, and many such churches are being sustained by the Association.

MAGAZINE.

The American Missionary is published monthly, except July and August. New form, fresh material, and general illustrations characterize it for 1909. Pastors of contributing churches, superintendents of Sunday-schools, college and theological libraries and missionary societies will receive the *Missionary* upon application if so desired. Subscription is *fifty* cents per year.

CONGREGATIONAL BOARD OF MINISTERIAL RELIEF.

A Board organized "to secure, hold, manage, and distribute funds for the relief of needy Congregational ministers and the needy families of deceased Congregational ministers."

The basis of claim to relief is "character and extent of service," and the determining conditions are "age, extent of disability, and degree of need."

The figure set by the National Council at its session in Portland, Me., 1901, as a necessary endowment for this Board was $1,000,000. It then instructed the Board to secure an amendment to its charter, enabling it to hold property in that amount. This has been done.

Only the interest on the Endowment Fund can be used for pensions. This income is supplemented from the current receipts. The needs of the present hour must be provided for before increasing the Endowment Fund, except, of course, by such gifts as are designated for this Fund. On December 31, 1908, this fund amounted to $183,343.51.

The receipts from all sources, from the first gift in March, 1887, to December 31, 1908, have been $382,735.76. The receipts in 1908 were $33,844.07.

The National Council "urges all ministers and churches to enter into hearty co-operation with the Board, to the end that the claims of this cause may be duly recognized by all, in all parts of the land."

The Board appeals

1. For an annual offering from each church.
2. For subscriptions to the Endowment Fund, from ministers during their earning period, of $1.00 a year or more.
3. For special gifts and bequests from individuals.

FORM OF BEQUEST.

I give to the "Congregational Board of Ministerial Relief"..... ..... Dollars, for its uses and purposes.

NATIONAL FEDERATION OF WOMAN'S CONGREGATIONAL STATE HOME MISSIONARY ORGANIZATIONS.

Organized May, 1905.

President. — Mrs. B. W. Firman, 1012 Iowa Street, Oak Park, Ill.

Vice-Presidents. — Mrs. James L. Hill, Salem, Mass.; Mrs. F. Eggert, Portland, Ore.; Mrs. H. B. Wey, Atlanta, Ga.

Secretary. — Mrs. G. H. Schneider, 919 Warren Avenue, Chicago, Ill.

Treasurer. — Mrs. H. A. Flint, 604 Willis Avenue, Syracuse, N. Y.

This Federation is the only national organization existing among Congregational women. The constitution in part is as follows:

Object. — Its object shall be the unification of all state organizations of women that labor in any corporate way for the advancement of home missionary work in connection with Congregational churches.

Membership. — All state organizations of women connected with Congregational churches, seeking to promote woman's missionary work in our country and its newly allied territories, shall be eligible to membership in this Federation.

Meeting. — An annual meeting shall be held in connection with the gathering of the Congregational Home Missionary Society, inasmuch as other of the national societies hold affiliated meetings in connection with this gathering.

The Federation has proved itself worthy of being, — it having brought about a fellowship and a mutual helpfulness between the states which would be impossible were there not a central organization. Each state continues independent as to its plan of work, treasury, etc. Among the advantages to Congregationalism are that federation gives us centralization in our home missionary activities, — a necessary factor in coming in contact with other denominational bodies; it will also tend toward stimulating the gifts of the women of our country to home missions. The officers are glad of every opportunity possible to be of help in any way, anywhere.

Congregational Work is the official organ of the Federation.

THE WOMAN'S BOARD OF MISSIONS.

The three Woman's Boards are corporate bodies, chartered under the statutes of Massachusetts, Illinois, and California, respectively. Each co-operates with the American Board and assumes the support of a part of the work under the care of the American Board. They collect money through Branches, Auxiliaries, and Mission Circles, and support missionaries as teachers, evangelists, doctors, and nurses. Their missionaries receive appointment from the Prudential Committee of the American Board, and are enrolled as its missionaries. Although the funds of the Boards are forwarded to the mission field through the treasury of the American Board, all the money has been previously designated by the Woman's Boards, each of which has its specific work to be supported out of its own funds. The women, girls, and children of the churches are the constituency upon whom rests the responsibility of providing these funds. The organ of the three Boards is *Life and Light for Woman*, published in Boston. These Boards also co-operate with the American Board in publishing the *Mission Dayspring*, for children.

OTHER SOCIETIES.

THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY.

610 Congregational House, Boston.

Directors. — Rev. Frank W. Merrick, ph.d., Chairman; Edward B. Bayley, Herbert A. Boynton, Rev. Arthur J. Covell, Rev. Frederick E. Emrich, d.d., Frank L. Fish, William S. O'Brien, Rev. Charles H. Oliphant, Henry H. Proctor, Rev. James S. Williamson, Rev. William E. Strong, Appleton P. Williams.

Secretary. — Rev. Charles B. Rice, d.d.

This Board is maintained and directed by the General Association of Congregational Churches in Massachusetts. It is an agency which acts in an advisory way with respect to pastoral settlements wherever it is called upon to do it. It undertakes nothing in behalf of any church except in answer to direct official request.

The Board has no shadow of authority over the churches, but it is itself responsible to the churches. This fact of complete public responsibility is characteristic, and is meant to be controlling.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement wherever that may be left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches when requested to do it, and, when the distance allows it, supplying the pulpit and meeting the committee of the church. The consultations which are thus had are often more satisfactory in their results than written correspondence.

The work of the office is large. We have carefully recorded statements concerning more than three thousand Congregational ministers. The churches served by us are most largely in Massachusetts and in the other New England states, but oue business reaches to almost every state, and passes even a little beyond the bounds of the Union.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in ts far as possible the general judgment of discerning men who have had opportunities of knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contribution from the churches of the state through the treasury of the General Association. Fees are charged, however, to ministers, for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of Massachusetts. Within the state of Massachusetts there is no settlement fee. No charge is made to churches anywhere. But churches outside of Massachusetts have often considerately assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

BOSTON SEAMAN'S FRIEND SOCIETY.

Office: Room 601, Congregational House, Boston.

ORGANIZED in 1827 by a body of Congregational ministers and laymen in Dr. Lyman Beecher's church, the basement of which was at that time the home of the American Board. Incorporated in 1829.

President. — REV. ALEX. MCKENZIE, D.D. *Secretary.* — CHARLES F. STRATTON.
Vice-President. — SAMUEL USHER. *Treasurer.* — CHARLES F. STRATTON.

Board of Managers. — The officers above named and Luke W. Fowle, Charles W. Wrightington, William A. Paine, Alpine McLean, Franklin P. Shumway, Francis J. Ward, Edward B. Wilder, Albert Murdoch.

Corresponding Secretary. — Rev. CYRUS P. OSBORNE.

Object. — This Society is devoted to the material, moral, and spiritual welfare of seamen. It aims to promote temperance, thrift, morality, and religion among a class of men whose privations and hardships, temptations and perils, are extreme, and who at the same time respond to helpful moral and religious influences more readily than any other class of men. It also undertakes to relieve the wants of these men when shipwrecked and destitute.

Scope. — This work is not local. It has to be done where seamen are, at large commercial centers like Boston, or on great thoroughfares of navigation, like Vineyard Sound. The work is necessarily prosecuted at points on the coast, but it cares for sailor boys who have come from every state in the Union.

Every year naval recruiting parties cover a large part of our country with their operations, and enlist young men for sea service from states as far west as Colorado. To these lads, separated from the influences of home, church, and Sunday-school, our bethels and reading-rooms, with their varied entertainments furnish a safe and cheerful resort free from the temptations of the saloon.

The work is not only for sailors from every part of our land, but for men of every race and nation. These men are followed by correspondence to all parts of the world; so that while this work has its centers upon our coasts, its circumference includes all seas and shores where sailors are found.

Methods. — The work is not simply preaching to sailors, but a ministry to all the wants of seamen. Good reading is supplied to men remote from books and news stands. Entertainments, concerts, and sailors' suppers are given for the social side of the sailor's life; the earnings of men are received and placed on deposit, with interest; invalids in naval or marine hospitals are visited with cheer and comfort. The temperance pledge plays an important part, a dozen or more sailors often signing at a time. Power launches are maintained to minister to the wants of Jack afloat as well as ashore. Attractive singing is provided, not only in our bethels, but at the navy yard and in hospitals, and sailors afloat are regaled with gospel songs that touch the heart, sung by young people on board our harbor launch. Food, clothing, and shelter are supplied to men shipwrecked and destitute at all seasons, especially in the rigors of winter. Large numbers of these unfortunates have been cared for during the last winter.

Results. — Many men have been led to save their earnings, an aggregate of thousands of dollars. Hundreds of men have been helped and befriended in time of dire distress. Many thousands have had a cheery and homelike place of resort in reading-rooms, fitted up with games as well as with books and magazines.

All this is additional to the regular evangelistic work of the Society, which is unsurpassed in its way.

But the most noteworthy results of the work are of that intangible kind, affecting the heart and life, which cannot be tabulated. In our Sailors' Rest and Chapel, 287 Hanover St., Boston, there are religious meetings Wednesday, Friday, and Sunday evenings, and from the middle of November to May there is hardly a meeting without requests for prayer. At our Vineyard Haven Bethel there are conversions every month, nearly every week in the year, and our Chaplain has a list of more than twelve hundred men who have within five or six years asked for prayer, and with most of whom he is in correspondence. The spiritual value of the work accomplished is beyond all estimate.

Needs. — The Society needs an annual donation from every church, Sunday-school, and Endeavor Society. It greatly needs at this time special gifts from favored donors, amounting to at least $15,000, to make changes and improvements in our Boston Bethel, by which two thirds of that fine building will be available for bethel work instead of one third, as at present. It needs to have its revenues supplemented by an occasional bequest from generous patrons whose living gifts fail us. It needs the sympathy and prayers of all who care for the sailor and have any sense of the great debt we owe to him.

FORM OF BEQUEST.

I give and bequeath to the Boston Seaman's Friend Society the sum of $..... to be applied to the charitable uses and purposes of said Society.

The Corresponding Secretary will gladly visit churches, Sunday-schools, and societies to explain the methods and results of this most interesting work.

HISTORY AND OBJECT.

The Schauffler Missionary Training School was opened in Cleveland in 1886. It was the outgrowth of the need of "native helpers" in the newly begun home missionary work of the Congregational Home Missionary Society for our Slavic population. It was at first open only to Bohemian young women, but within a few months it began to receive other nationalities and is now open to all young women desiring home missionary training. Seven nationalities have been in training at one time. Over two hundred young women have studied in its halls and more than seventy have been graduated. These graduates are working in seventeen different states, in five different denominations, and among fifteen different nationalities. In 1905 a new department was added, that of training young women for pastors' helpers, by giving instruction in stenography, typewriting, and the keeping of church records, in addition to the regular missionary course. From this course nine have been graduated.

NEEDS.

The school needs an endowment of $50,000, of which $40,000 is already pledged. Will you help? Send contributions to the Schauffler Missionary Training School, 5111 Fowler Ave., S. E., Cleveland, Ohio.

For information address the Principal, Mrs. Mary Wooster Mills, 5111 Fowler Ave., S. E., Cleveland, Ohio.

THE THEOLOGICAL SEMINARIES.

ATLANTA THEOLOGICAL SEMINARY,

ATLANTA, GEORGIA.

Opened for instruction, 1901.

FACULTY.

E. LYMAN HOOD, M.A., PH.D., President, and Professor of Church History.
ALVAN F. SHERRILL, D.D., Dean, and Professor Homiletics and Pastoral Theology.
SAMUEL W. HOWLAND, M.A., D.D., Professor Hebrew and Greek.
LAWRENCE PHELPS, M.A., Professor Biblical and Christian Theology.
FRANK E. JENKINS, D.D., Lecturer on Parish Problems.
HENRY A. ATKINSON, PH.B., B.D., Lecturer on Sociology.

The Seminary aims (1) to develop the practical side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a Gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The classical theological course embraces three years of study. At its completion, the degree of B.D. or B.B.L. is given. Candidates entering upon this course must have a college course or its equivalent. The English theological course is designed to meet the needs of a great many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study besides the regular English preparatory studies. The third course is the Correspondence, for home study. It is given to meet the needs of pastors who are so situated that they cannot leave their work to attend the Seminary for a regular course. The fourth is also for non-resident students, and is designed especially for the graduates of this and other seminaries, who desire to continue, under wise and experienced leadership, systematic study. To all non-resident students books are sent, lessons are assigned, and examinations are given.

The books of our large library will be sent to pastors and teachers, free of cost save postage, to all who comply with the usual rules safeguarding their return.

TERMS OF ADMISSION. — Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

EXPENSES. — No charge is made for tuition or room rent. Board can be obtained for $2.00 and upward per week. A limited amount of student aid is given to worthy men. All active young men can find employment in the city that will enable them to pay all expenses. Practical work in connection with the prosecution of studies is urged. Preaching and missionary work will enable the student to get a clear idea of some of the phases of work which are to be his. Thus we shall give to the churches men with a practical as well as a theoretical knowledge.

Course of Study. — The primary aim of the Seminary is to prepare men for the practical work of the ministry. The regular course of study, covering three years, and leading to the degree of Bachelor of Divinity, is built upon the fundamental subjects of the Bible, the History of the Church, Christian Theology, Homiletics, and Pastoral Care. There is a considerable range of electives, and these are supplemented by many allied courses in Harvard University, open to Andover students. The Hyde and Southworth lectureships provide special instruction in Christian Missions and in Ecclesiastical Polity. The region around Boston offers rich opportunities for the study of churches and church methods, and of various other agencies for social betterment.

Degree. — The degree of Bachelor of Divinity is conferred upon students who satisfactorily complete the three years' course of study, provided they already hold a college degree.

Graduate Students. — Graduates in theology are encouraged to pursue advanced study and research under the personal direction of the professors, and are admitted to advanced courses in the Seminary and in the University.

The sole purpose of Bangor Theological Seminary is to train men and women to become preachers, pastors and teachers, and missionaries. Its curriculum and all the supplementary means of instruction seek this one end. It is open to Christians of any denomination.

It offers to college graduates and to those who have received equivalent discipline the opportunity to gain a thorough, modern, practical, ministerial training, and makes it possible for good students who are thus qualified to complete in three years the studies required for the degree of Bachelor of Divinity.

At the same time it makes provision for those who are belated in beginning their ministerial preparation and who have not had the privilege of the usual full and unbroken academic training. The studies are adapted to their needs, with the hope that they will be able, in a somewhat longer time, to cover the full course. A considerable experience has shown that there are many earnest young laymen in our churches whose early studies, practical experience and natural gifts qualify them to prosecute successfully theological studies. They often become most able and efficient ministers.

Attention is called to the Seminary's Library of above 27,000 volumes, well selected and steadily growing; to its fine gymnasium under a competent physical director; to Convocation Week, with its group of eminent lecturers and its gathering on this occasion from northern New England of a great company of working ministers; and to the Seminary's practice of holding each year Conferences on Christian Work, which bring to the front important aspects of practical religious effort.

By reason of the location of the Seminary in an inexpensive center, and because of the adoption of the co-operative plan in the boarding-house, the necessary expenses of the student may be kept within very moderate bounds.

The Seminary year extends from the last Wednesday in September to the first Wednesday in June.

Requests for catalogues, letters of inquiry, or applications for admission should be addressed to the Corresponding Secretary, Prof. Warren J. Moulton.

Relation to the University. — The Divinity School is one of the co-ordinate departments of Yale University; its students enjoy all the general advantages of a university residence, and receive from the Corporation, on completing their three-years' course, the degree of B.D., and are enrolled among the alumni of the University.

Courses of Study. — The studies are of two classes, prescribed and elective; and are grouped in three main courses, all leading to the degree of B.D., but emphasizing respectively the Historical, the Philosophic and the Practical aspects of Christianity. Special attention is paid to the problems of the active pastorate and of social and philanthropic service, by a corps of special lecturers of experience.

Graduate or Fourth-Year Class. — Students of approved scholarship, who have completed a three-years' course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in theology are pursued under the direction of the professors. Members of this class may become candidates for the degree of M.A., or for that of PH.D., by enrollment also in the Graduate Department of the University.

The school has two Graduate Fellowships for the encouragement of further theological study in this country or abroad.

Expenses. — The charge for the care and heating of each room is, approximately, $40 per annum. Board costs from $3.50 to $5.00 per week. The necessary expenses of a student for the school year of thirty-two weeks, exclusive of clothing and personal expenses, range from $194 to $270.

Opportunities for Self-Help. — Scholarship aid is now considered not as a gift but as a means of livelihood obtained by religious work. The scholarship funds of the school are used to create opportunities for employment in New Haven and vicinity, through which the students may receive training in pastoral work. The average amount of time spent is six hours per week, for which the remuneration is $125. Further opportunities for self-help, if needed, may be obtained through the Director of Religious Work. Prize scholarships of $100 and $50 are also offered to students of high rank in scholarship.

Term of Study. — The next year will begin on Thursday, Sept. 30, 1909.

Application for Admission. — The conditions of admission are membership in some evangelical church, and a liberal education at some college or university. Catalogues and forms of application for admission may be obtained by addressing the Dean, Yale Station, New Haven, Conn.

The Seminary aims (1) to develop a vigorous spiritual life as the only sound basis for scholarship and service; (2) to train in scientific methods of exegetical and historical research; (3) to discover and teach the truth of God as revealed in the Scriptures, and the leading of his Spirit in history, and its application to the present needs of the world; and (4) to equip students practically for the Christian ministry in its various forms.

The Curriculum is arranged in accordance with a system of Grouped Electives, thus offering either a balanced course or one rather closely specialized. It is also fitted to University students prepared to acquire advanced standing. The degree of Bachelor of Divinity is given for completion of the course with special credit and presentation of an approved thesis.

The Missions Course, on the Lamson Foundation, provides opportunity for thorough study of missionary theory and methods.

The Hartford School of Religious Pedagogy, affiliated with the Seminary, supplies an invaluable supplement to the instruction in this department.

Graduate Study is strongly encouraged. The degrees of S.T.M. and PH.D. are given under carefully defined conditions. Two fellowships are offered in the undergraduate department, each for two years of foreign study. One fellowship, yielding $1,000, is offered in post-graduate work.

The Apparatus includes a library of 90,000 volumes (excluding duplicates), museum, reading-room, gymnasium, music-room, etc.

Terms of Admission. — Candidates for admission must be members of some Christian church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first term. All courses are open to women on the same terms as to men.

Expenses. — No charge is made for tuition, rooms, furniture, and bedding, except a nominal fee of $25 for use of steam and for supervision. Board is provided under the care of the Students' Association, at about $4.00 per week.

Scholarship aid is provided for those needing it, in addition to the grant from the Education Society, varying in amount according to scholarly rank.

Calendar. — The seventy-sixth year begins Sept. 29, 1909, and closes May 25, 1910.

Address inquiries to the Dean.

Admission. — Candidates for admission must be college graduates or have equivalent preparation. Women are received on the same terms as men.

Course of Study. — The curriculum covers three years, and leads to b.d. degree. It is arranged in a system of grouped Electives, which give a general course with opportunity to specialize where desirable. The studies set out, from the point of view of Christian experience, are carried on in a reverent, historical, and critical spirit, and aim at a culmination in practical fitness for the ministry. The courses in philanthropic, civic, and social work offered by the Chicago School of Civics and Philanthropy are open to all students.

Foreign and Christian Institutes. — In these independent courses men are trained to preach in both English and the German and Scandinavian languages. For the German a high-school training, and for the Scandinavian a good common-school fitness, is required. In the Christian Institute men and women are trained for various forms of church work.

Chicago Commons, the Social Settlement, of which Prof. Graham Taylor is resident warden, is a center for civic, social, philanthropic, and religious work, through which students come in direct contact with the facts of the field.

Apparatus. — Hammond Library contains over 28,500 carefully selected volumes, current theological and literary magazines, all arranged according to departments in separate alcoves for easy reference. There are a reading room, music room, a gymnasium with physical director, and light, airy, quiet dormitories looking out on Union Park.

Expenses and Aid. — The only charge is a nominal fee of $1.00 a week for heated, lighted and furnished rooms. Board can be secured near the Seminary for $3.00 or $4.00 a week. Scholarships and loans from $75 to $175 a year are granted worthy men, in addition to the grant from the Education Society. Each graduating class is offered also a fellowship, the income of $10,000, for two years of foreign study.

Calendar. — The next Seminary year begins Wednesday, Sept. 29, 1909, and ends Thursday, May 12, 1910, with vacation of two weeks at Christmas.

WILLIAM G. CASKEY, A.M., Professor of Elocution.

ALBERT B. WOLFE, PH.D., Professor of Sociology in Oberlin College.

THE SEMINARY is open to students of all denominations. It has a full corps of professors of its own and offers its students all the work essential to a theological training. In addition, students are admitted to the college classes without charge.

Applicants for admission must present college diplomas. Upon graduation the academic degree of Bachelor of Divinity is conferred.

The minimum requirement for all candidates for a degree is 1,440 hours of lectures and recitations. One half of this amount is required work, including the most essential courses in each department. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction and Biblical Theology. In addition to the required work, a large number of elective courses is offered, covering a broad range of more advanced work in the several departments.

There are in the ministry many who have not received adequate training for it and who soon discover their need of theological study. The reasonable requirements for admission to the regular courses of theology place such training beyond the reach of many men of this class. In the interest of a better educated ministry the Seminary offers its advantages to a limited number of ordained ministers who have already held a pastorate, and who wish to enter upon theological studies for not less than a full year. They may enter such courses as they are prepared to pursue with profit, and will be given certificates for all work completed.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular theological course.

The New Carnegie Library, adjoining Council Hall, contains 200,000 bound and unbound volumes.

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms with hot-water heat and electric light for fifty students. Those rooming here pay a moderate incidental fee, varying according to location of room. Other students pay a fee of $6. Aside from this fee, there is no charge made by the Seminary. The price of board in Oberlin is from $2.40 to $3.50 a week. Other expenses are correspondingly low.

PECUNIARY AID is granted to those who need it, from the Congregational Education Society, and from Seminary scholarship funds. The amount ordinarily received from the Education Society has not been less than $50. The Seminary funds are awarded for excellence in scholarship in the form of merit scholarships varying in amount from $50 to $100 each year, and in the form of remuneration for country and city mission work which is abundant in the vicinity. There is also a loan fund. There has generally been abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-two weeks in two semesters. The next year begins Wednesday, Sept. 22, 1909. For further information address Professor G. WALTER FISKE.

PACIFIC THEOLOGICAL SEMINARY, BERKELEY, CAL.

Opened for service, 1869; established at Berkeley, 1901.

FACULTY.

JOHN KNOX MCLEAN, D.D., President, and Lecturer on Pastoral Methods.

CHARLES SUMNER NASH, M.A., D.D., Professor of Homiletics and Pastoral Theology.

WILLIAM FREDERIC BADE, B.D., PH.D., Professor of Old Testament Literature and Semitic Languages, and Secretary of the Faculty.

GEORGE DEWITT CASTOR, B.D., PH.D., Professor of New Testament Literature and Exegesis.

JOHN WRIGHT BUCKHAM, D.D., Professor of Christian Theology.

GEORGE TOLOVER TOLSON, M.A., B.D., Instructor in Church History, and Acting Librarian.

MILES BULL FISHER, A.B., B.D., Instructor in Elocution.

JAMES ALEXANDER CHAMBERLIN, D.D., Lecturer in Sociology.

CHARLES EDWARD RUGH, M.L., Lecturer in Religious Pedagogy.

The Faculty is further strengthened by co-operation with Pres. CLAIBORNE MILTON HILL, D.D., of the Pacific Coast Baptist Seminary, Dean EARL MORSE WILBUR, M.A., of the Unitarian Divinity School, and Acting Dean WALTER STAIRS, M.A., of the Berkeley Bible Seminary.

Also, from the University of California, GEORGE HOLMES HOWISON, M.A., LL.D., Professor of Intellectual and Moral Philosophy; GEORGE MALCOLM STRATTON, PH.D., Professor of Psychology; CHARLES MILLS GAYLEY, LITT.D., LL.D., Professor of the English Language and Literature; CORNELIUS B. BRADLEY, M.A., Professor of Rhetoric; ALEXIS F. LANGE, PH.D., Professor of the Theory and Practice of Education; JOHN FRYER, LL.D., Professor of Oriental Languages and Literatures; THOMAS RUTHERFORD BACON, A.B., B.D., Professor of Modern European History; WILLIAM POPPER, PH.D., Associate Professor of Semitic Languages and Literatures; CHAS. RIEBER, PH.D., Associate Professor of Philosophy.

The Seminary is located at Berkeley, the seat of the University of California. It is thus enabled to avail itself freely of the advantages of this University, among the foremost in the United States, all of its courses being open, without cost, to the Seminary students. Courses by the nine professors of the University above named have been incorporated in the Seminary curriculum, these men forming, to all intents and purposes, an associate faculty. The Library of the University (over 150,000 volumes) and the special library of the Seminary (10,000 volumes) afford large opportunities for special study. Instruction in medicine can be had in the Medical School of the University, and better preparation in the languages of China and Japan can be had under Professor Fryer than in the Orient itself. The climate is remarkably even, constantly cool, stimulating and favorable for study during the entire year, knowing nothing of debilitating spring changes or prostrating summer heats.

The main purpose is to train men for the practical ministry, especially the Congregational ministry. The usual courses in Exegetical, Historical, Systematic, and Practical Theology are provided. The prescribed courses, about two thirds of the whole, are arranged to cover the fundamental parts of all departments. For the rest the student, so far as prepared, is allowed to choose freely among electives covering all recognized branches. Eighty units of credit are the required minimum for graduation, a unit representing one class-room exercise a week for a half year. Hebrew is not required (Greek is) for the degree of B.D., but unusual facilities are furnished for acquiring it. The University of California has established an excellent course in modern charities.

THE SEMINARY is open to students of every Christian denomination, to women as well as to men. A college diploma, or in lack of that, evidence of literary and scientific attainments equivalent to an A.B. degree, is required for admission to regular standing as a candidate for the B.D. degree. Advanced courses are provided for graduate students. Special students may be received, as in the University, to such studies as they are qualified to pursue.

Regarding expenses and pecuniary aid, and for further information, address President McLean.

THE NEXT YEAR BEGINS Aug. 17, 1909.

Annual Statistics

Churches and Ministers.

ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1907 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date Jan. 1, 1908, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows:

1. The statistics of the churches and their ministers, by States.
2. Statistics of Sunday schools, independent and missionary.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1907–1908.
5. General summary tables for the year.
6. Tables of summaries, 1858–1907.
7. Tables based upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make *new tables* each year. " Last year's report " (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations which change the place of the church on the list are specifically mentioned with the State summary, so that each church can be traced from year to year.

3. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct " pastoral supply " to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

4. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and THIS EMPHATIC TYPE IN LINE OR MARGIN, IS USED EXCLUSIVELY FOR NAMES OF POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, " Newton **West** "; if itself a name, it supersedes the other, as " Newton, **Auburndale.**" Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was

not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since January 1; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A star (*) denotes churches not associated.

2. Pastors installed by council are marked "*i.*," and pastors recognized by council are marked "*r.*"; others in service are not marked, but are considered pastors except where otherwise distinguished. Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so as pastor by council last year and may be presumed to be *in transitu*, though his name is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such are so considered and not included in list of vacant churches. When churches are supplied by ministers of other denominations it is so stated, and they appear under the head "Supplies." Churches actually vacant are found in column marked "vacant." The names of licentiates and ministers of other denominations will be found, not in the Alphabetical List of Ministers of Congregational Churches, but in lists following the regular list of Congregational ministers. The General Alphabetical List includes *only* Congregational ministers.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations. It should be borne in mind that in the tables, "R." includes Discipline and Roll revision. In the General Summaries the letter "R." is used, and includes Revision and Discipline.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

ALABAMA.

THE GENERAL CONGREGATIONAL CONVENTION OF: OFFICERS: Rev. George Eaves, Birmingham, moderator; Rev. E. W. Butler, Thorsby, statistical secretary and treasurer. SESSION OF 1909: Nov. 10.

Students of this table should remember that 1887 was a transition year. The reports from different states covered various periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England, except Maine, two years are included, and the average for the whole country is 20 months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the gain of members, 12,723; in Sunday schools, 17,822, and infant baptisms, 7,176.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization, in any state, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolence Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches) are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1907, are retained, and are indexed to pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher.

We are pleased to present to the Churches the following analysis of the List of Ministers, which will illustrate the distribution of service. If such as are "starred," deceased, and many in foreign lands, are not included, the number of ministers will equal that reported by the states, 5,924.

Pastors,	3,608	Secretaries,	71
Without charge (including supplies),	2,227	Superintendents,	50
Chaplains,	11	Teachers,	27
Editors,	31	Deceased,	149
Evangelists,	36		
Missionaries,	226	Total,	6,634
Presidents,	39		
Professors,	146	"Starred,"	392
Principals,	13		

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State although the person may reside elsewhere.
